Dear Mr. Sivasubramanian

Further to our meeting in Beijing, we discussed the review of your complaint by me as the ICANN Ombudsman. I have returned home , and on looking at the ICANN website I see you have made an application to the Reconsideration Committee of the Board. YWe discussed at our meeting that I cannot act if you are pursuing the Reconsideration, and you have to choose the remedy you seek. So could you please confirm whether you want me to investigate, or for the reconsideration to go through the process.

Regards
